Something New

THE NATION CYCLE CENTER'S 1948-49 *Catalog Supplement*

Mr. Dealer:

Because of the continuous progress in new design and engineering features of Nation-Bilt products, our sales staff have adapted the catalog supplement system which is designed to keep you up-to-date with Nation-Bilt. This new system is for your benefit and will keep you in direct contact with this company's current developments which mean better business and better profits for you. We sincerely believe this method of sales co-operation will better acquaint you with a current and complete line of Nation-Bilt products.

Nation-Bilt

FIRST LINE PRECISION ENGINEERED EQUIPMENT

THE NATION'S CYCLE CENTER

619 SOUTH TENTH AVENUE • MAYWOOD, ILL.

Dear Dealer:

Your enthusiastic response to motorcycle accessories manufactured under the NATION-BILT trade mark has inspired our organization to do everything possible to merit the confidence you have manifested in our products. We can only repeat those affirmations contained in our letter to you as published in our last catalog.

Each and every item bearing the NATION-BILT trade mark is **our own** product and is manufactured in **our own** plant here in Maywood, Illinois. You are dealing with the producer and satisfaction to you is guaranteed. If it's new— if it's different— if it's quality— if it's wanted by your customers, it's NATION-BILT! You can depend on us to keep you ahead in the game. You will be regularly informed of new items and changes.

Cushman dealers are requested to order the following items:

Cushman Fender Tips
Cushman Front Bumper
Rocket Light
License Bracket

Hub Disc
Large Fender Rails
Fender Flaps
Mirrors

from your Cushman distributor.

Whizzer Dealers, when ordering 3 1/2" bicycle tips, please place your order with your Whizzer Distributor.

Order blanks will be furnished on request, and should always be used when ordering parts or accessories. Your shipment will be speeded by using order blanks. Use our catalog number for each item and specify the part number as indicated.

All shipments best way or as requested. Prices F. O. B. Maywood, Illinois. No 5% Federal Excise Tax added. We will absorb this tax and a discount of 5% will be allowed on all orders exceeding \$150.00. All prices quoted in this catalog are Retail Selling Prices.

SPORT WINDSHIELD

FOR YOUR RIDING COMFORT

CALIFORNIAN

THE CUSHMAN

Fits Cushman, Whizzer and small jobs. Same as Californian except for stem size and mounting fittings.

N208C—THE CUSHMAN.

The Texan

N202HD—For All H-D and old style Indian, has cutout as illustrated.

N202I—For Indian 1946 and up.

THE TEXAN

THE HIGH RISER

For rubber mounted high rise bars, same as Californian except stems are spaced 8 1/2" center to center and has Texan cutout.

Fits Indian Chief and Twin H-D.

N207—THE HIGH RISER

THE DIGOUT

A classy, sassy little number, economy size. Highly polished chrome frame. 18 1/2" x 19". Has all of the beauty of Nation-Bilt shields. Fits all small jobs.

(Specify 1" clamps for 125 H-D)

N218-125—THE DIGOUT

N219—THE DIGOUT FOR BIKES

The Most Accepted Shields in the Motorcycle field—sturdily constructed, gracefully and beautifully designed and perfectly engineered. Highly polished chrome plate frame with top and bottom pyralin reinforced with strong steel braces. Nation-Bilt Sport Windshields are by far the most rugged of all pyralin shields available.

All Nation-Bilt Sport Windshields are available in the following color combinations: Clear top and clear bottom; clear top and blue bottom; clear top and amber bottom; blue top and amber bottom (specify colors when ordering).

All Nation-Bilt Sport Windshields are trimmed with red plastic channel which can be easily removed if desired.

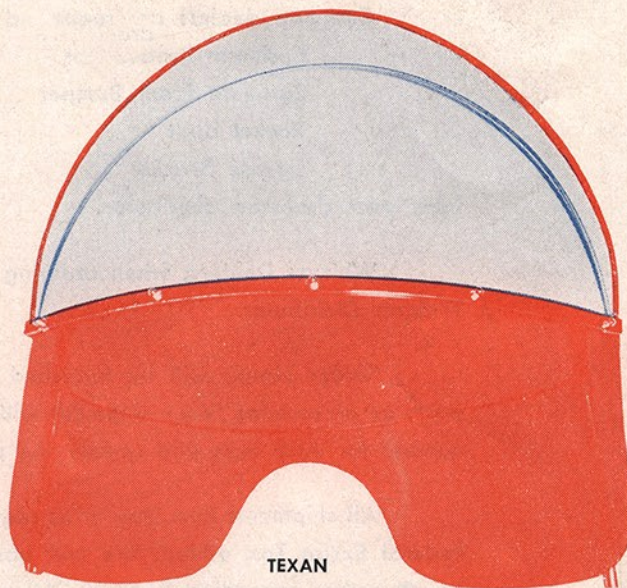

Fittings to mount included in all prices.

The Californian

N201—THE CALIFORNIAN. Fits all H-D and Indian (1" clamps).

The Continental

N203—THE CONTINENTAL. For foreign and small domestic. 7/8" Mounting Clamps.

TEXAN

NATION-BILT WINDSHIELD PARTS

PYRALIN—Specify Color

(Clear - Blue - Amber)

N206T—Top pyralin

N206B—Bottom Pyralin (specify if cut out).

N206W—Wintershield Top Pyralin with channel.

N214—Red Channeled Plastic Trim

N215—Clamps for Trim (2 to shield).

N206-125T—Top Pyralin for Digout.

N206-125B—Bottom Pyralin for Digout.

WINDSHIELD HARDWARE

Complete mounting assembly for Californian, Texan, Continental, High Riser and Digout.

Consists of:

4 clamps

2 eyebolts

2 spacers

2 - 7/16 nuts

2 - cap bolts

2 - 5/16 nuts

OTHER *Nation-Bilt* SHIELD LEADERS

The Wintershield

The Nation-Bilt Wintershield (Winter Windshield) is tailored to fit perfectly around the ride control assembly. Extends full length of handlebars to protect hands, arms and shoulders. Strong, sturdy frame. Top pyralin reinforced with 5/16" plastic bead. Easy to mount.

Choice of two highest grade fabrics: Black, waterproof leatherette; Silver, Vinyl coated, double construction rubberized back. The finest material obtainable.

N205HD—Wintershield for Harley.

N205I—Wintershield for Indian.

Specify black or silver.

SPORT WINDSHIELD APRON

A short silver, Vinyl coated apron that attaches to the bottom pyralin of The Californian or The Texan shield with smart plastic strip. Fits perfectly around ride control assembly.

N213HD—Apron for H-D.

N213I—Apron for Indian.

The Jeff DeLuxe

Has highly polished flat frame and apron strip. Same pyralin as in the Californian. Apron of tough, weather-proofed, silver, Vinyl coated fabric, or black waterproofed leatherette.

N204HD—For Harley.

N204I—For Indian.

Specify black or silver.

Fittings to mount included

CUSHMAN COMBINATION

This is a combined Sport Shield and Winter Windshield. All clear or two-tone pyralin. Sturdy well-made frame with no welding. Detachable snap-on apron extends to fender and serves as legshield. Easy to mount. Will fit Cushman and similarly styled scooters. Available in economy style, chrome frame **not** polished with black apron, or Super Deluxe Model with highly polished chrome frame and silver apron.

N212CB—Black, waterproof leatherette, chrome unpolished frame.

N212CS—Silver, Vinyl coated. Double construction, rubberized back.

The very finest obtainable, highly polished chrome frame.

Nation-Bilt FENDER PLATES & ACCESSORIES

All Nation-Bilt fender plate designs are protected by Design Patent No. 129102 and other patents pending.

THE LITTLE CHAMP

A bicycle fender tip designed to conform to the Airstreamer. The Little Champ is attractively chrome plated.

N312—The Little Champ—3 1/2" 26" and 28" tires.

Whizzer Dealers—Please order N312 from Whizzer Distributor.

N313—The Little Champ—3" 24" Balloon

N314—The Little Champ—DX 26" and 28" tires.

(Specify Front, Rear or Pair)

INDIAN, ARROW and SCOUT

N316F—For Indian, Arrow or Scout—Front.

N316R—For Indian, Arrow or Scout—Rear.

JUNIOR H-D

This fender plate is the same design as the Airstreamer. High crown center, ultra-modernistic with highly polished chrome finish.

N311-125HDF—For H-D 125 Front.

N311-125HDR—For H-D 125 Rear.

SERVI-CYCLE

N315F—For Servi-Cycle, Front.

N315R—For Servi-Cycle, Rear.

THE AIRSTREAMER

A new style, high crown center, ultra-modernistic in design fender plate with a highly polished chrome finish. An innovation in beauty and appearance. May be mounted with no holes showing on top side or by top side countersunk holes.

Harley-Davidson (to 1948)

N301HDF—Front. No holes showing.

N302HDF—Front. Countersunk hole.

N301HDR—Rear. No holes showing.

N302HDR—Rear. Countersunk hole.

Indian Chief

N303IF—Front. No holes showing.

N304IF—Front. Countersunk holes.

N303IR—Rear. No holes showing.

N304IR—Rear. Countersunk holes.

James Midget

N305MFR—Front and rear.

THE LEADER

Same peaked design as the Airstreamer but without high crown center. This is the fender plate that led the field for years and is still in great demand.

N306HDF—For Harley Davidson Front.

N306HDR—For Harley-Davidson Rear

N307I—For Indian Front or Rear.

(Countersunk holes only)

THE CUSHMAN

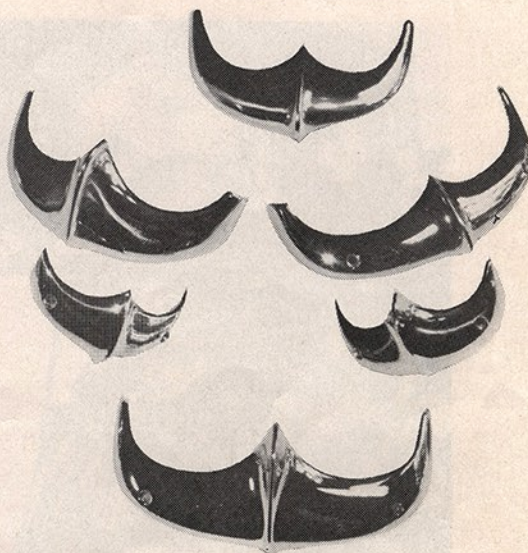

N308C—Cushman, Model 52

N309C—Cushman, Models 53A and 54.

(Countersunk holes only)

Cushman dealers—please order this item from Cushman distributor.

THE AIRSTREAMER

Nation-Bilt BUMPERS

FRONT BUMPERS

The Nation-Bilt patented front bumper pictured on this page and shown on the photo (center page) has been designed and fitted to the front end of a motorcycle and to conform to The Airstreamer front fender plate. A safety device of sturdy build and graceful lines to protect machine and rider.

N402HD—Front Bumper for H-D.

N403I—Front Bumper for Indian.

Donald Duck Front Bumper mounts to sides of fender with 4 eyebolts and ties in with Nation-Bilt patented bumper. Very neatly chrome plated. Fits H-D and Indian.

N404—Donald Duck Type Front Bumper.

N413—Donald Duck Jr. for small motorcycles.

N405—Front Bumper for Cushman.

(Cushman dealers: Order this item from your Cushman distributor).

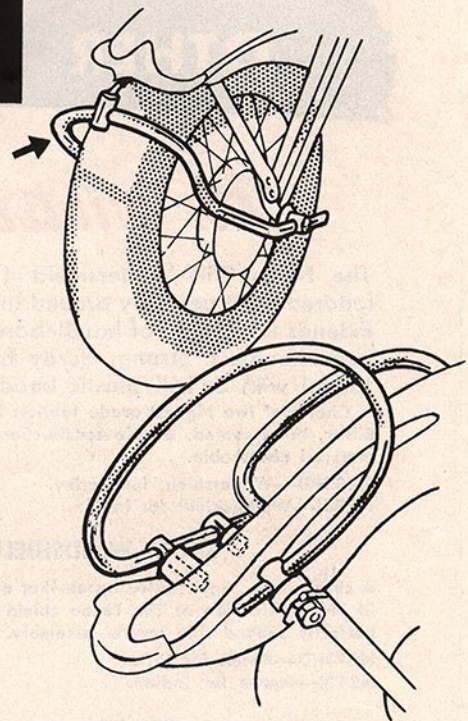

(Prices include mounting hardware)

REAR BUMPERS

Nation-Bilt's Rear Bumpers are the accepted bumper in the motorcycle field. The graceful streamlined lines conform to the rear fender and the Airstreamer fender tip. Highly polished chrome rod is mounted with four chrome eyebolts. Bracket furnished for N407-125. Will fit all machines with any type fender plate.

N401—Rear Bumpers for Indian Chief and H-D 45, 61, 74 and 80.

N407-125—Rear Bumper for H-D 125, Czech, James, Arrow, Scout, Cushman or other small jobs.

NATION-BILT SAFETY GUARDS

Made of 1" steel tubing highly polished chrome. Available now for small motorcycles. Mounts to frame and foot rests.

N408-125—SAFETY GUARD (specify make of motorcycle).
