Motorcycles**

# VStream®

National Cycle's innovative VStream® Windscreen gets its name from the unique shape and dimensional contours designed and engineered for each screen. The patented "V" profile helps push the turbulent wind out and away from the side of the rider's head, producing a quieter and more comfortable riding experience for both the rider and the passenger.

### VStream Fairing-Mount Windscreen Applications

Part No. Coating/Screen Color Height

#### Quantum® Hardcoated Polycarbonate

Developed for windshield use by National Cycle, Quantum hardcoating takes motorcycle windshields a quantum leap forward in scratch resistance and outdoor life. The durability of polycarbonate combined with Quantum hardcoating produces the strongest, most scratch resistant windshield available.

#### FMR Hardcoated Polycarbonate

The strength of polycarbonate combined with FMR hardcoating provides strength with very good scratch resistance. FMR polycarbonate is the OEM motorcycle industry standard and was first developed for the motorcycle industry by National Cycle.

#### National Cycle 3-Year Warranty

Our exclusive 3-Year Warranty covers all National Cycle polycarbonate windshields and windshields against breakage.
